Dear Diane,

A meeting of the Technical Review Committee (TRC) has been scheduled for June 3, 1992. The meeting will be held in the conference room of BLM's Salt Lake District and will begin at 9:30 am. I have enclosed a copy of the proposed agenda.

The BLM has recently received a copy of a report titled "Bonneville International Raceway Salt Laydown Project Feasibility" prepared by Bingham Engineering for Save the Salt and Reilly Industries. One of the items on the proposed agenda is introduction of this report. I have enclosed a copy for you. I understand that you may need time to consider the report before you will be able to comment on its contents, but the BLM would greatly appreciate any comments which you or the TRC may have.

Sincerely,

Deane H. Zeller  
District Manager
